

JULES CAMBON IS HEAD OF STANDARD OIL IN FRANCE

**Says it Has Been Es-
tablished Since
Last Spring**

**HAS BEEN OPPOSED BY
OTHER OIL INTERESTS**

PARIS, Oct. 15.—(By The Associated Press.)—The Temps this evening prints a dispatch from New York saying that the Standard Oil Company had founded a branch in France. The dispatch added that negotiations between A. C. Bedford, president of the Standard Oil Company of New Jersey and the Banque de Paris et des Pays Bas had reached the final stage in the organization of a French subsidiary of the Standard Oil Company, with Jules Cambon as president.

The news created considerable stir on the Paris bourse and was the cause of greater speculation in oil stocks than had been seen for a long time. Royal Dutch shares declined 400 francs while Shell Transport stocks also were weak, closing eight points below Wednesday's figures. Mr. Bedford told The Associated Press this evening that the negotiations had not reached a point where he could make a statement. Asked if it were true that a Franco-American Standard Oil Company had been organized, Mr. Bedford replied:

"We have had a subsidiary branch in France since last April."

The article in the Temps says the American Standard Oil Company controls 49 per cent of the company and the Banque de Paris et des Pays Bas, 51 per cent.

In bourse circles it was generally contended that the formation of the company was the culmination of negotiations which had been going on the past year in efforts by the Standard Oil Company to enlarge its business in France but in which it was opposed bitterly by other oil interests. Some members of the bourse asserted that it was just the beginning of an open battle between two of the most powerful oil companies in the world, private negotiations between them having failed.

ANNUAL INSTITUTE MEETS AT FRANKLIN

**Morgan County Farmers Gather
for Conference—Helpful Ad-
dresses Made—Big List of
Exhibits.**

The Morgan County Farmers' Institute began its sessions at Franklin, Friday. The attendance was larger than usual and there is no question about the interest. The committee representing the institute which arranged this year's program provided speakers of especial worth.

The opening program was given at the M. E. church. First the company joined in singing America and then the invocation was pronounced by Rev. Mr. Kunz. The address of welcome was by Father Smith. Then came a piano duet, given by Misses Dorothea Sargent and Katherine Wright, after which Mrs. Wilson Smith of Waverly sang a solo.

Following this general program sectional meetings were held, one program being of special interest to women and the other to men engaged in farm work. Considering the home economics question, addresses were made by Mrs. L. M. Featherstone and Mrs. Mary L. Boal, with demonstrations by Mrs. J. A. Shamel. Farm topics were discussed at the other sectional meeting by A. C. Averingham and A. A. Hill. Mr. Averingham is a resident of Jacksonville and discussed soils, livestock and farm crops. Mr. Hill presented subjects especially related to rural life, considering the church, various phases of recreation and "what should constitute the community ideal."

Mrs. Shamel's demonstration related to salads, school lunches, meat substitutes, casserole-cookery and similar subjects.

The evening program was given at the Methodist church with the following order of exercises:

Violin Cello Duet—John Henderson and John Wright
Miss Grace Armstrong, accompanist.

R. eading—Mrs. Paul Allyn.
Address—Mrs. Mary S. Boal.
Vocal Duet—Mabel and Anna Wright.
Address—Mrs. Z. M. Featherstone.
Vocal Solo—Lila Seymour.
Address—R. B. Doan.

As already indicated, the exhibits are displayed in Marquette hall with a large number of entries attracted by the liberal prize offerings.

COONEY FUNERAL MONDAY MORNING

The funeral of Thomas Cooney will be held from the Church of Our Savior at 9 o'clock Monday morning. Friends will please omit flowers.

AMERICA MUST DO EVERYTHING TO PREVENT WAR

**Would Ask Best Minds of
America to Solve
Question**

URGED ELECTION OF REPUBLICAN CONGRESS

INDIANAPOLIS, Ind., Oct. 15. Asserting that America must do "everything she can" to prevent future wars, Senator Harding renewed tonight his declaration of six weeks ago that in organizing the sentiment of the world for peace he favors taking all that is good of the Versailles league of nations.

Quoting from his league speech of August 28, the Republican nominee pointed out that he declared on that occasion that the league might be "amended or revised" if its preservation were found necessary to the peace of Europe.

"When elected," he said tonight, "I will immediately summon the best minds of America to consult and advise as to America's relationship to the present association to modifications of it or substitutes for it. The senate and our party have recognized much good in a new world fellowship and co-operation but we insistently reject all that menaces America. We must separate the wheat from the chaff."

Day of Hard Campaigning

The senator's speech here, delivered to a crowd of thousands in Timlinson's Hall concluded a day of hard campaigning thru the southern half of Indiana. After his train crossed from Kentucky in the morning he spoke at Jeffersonville, New Albany, Spades, Cottsburg, Caruthersville, Seymour, Columbia, Edinburg and Franklin before his arrival here and he will renew his plea to the Indiana voters tomorrow as he travels westward for a night meeting at St. Louis.

In all of his speeches today the candidate argued for preserved nationalism and urged the election of a Republican congress, making a special appeal at each stop for Senator James E. Watson, who accompanied him on his special train. He praised the Indiana senator as a "great and useful man" who deserved re-election. Among others on the train were Senator Harry S. New and Governor James P. Goodrich.

Besides the league of nations, Senator Harding touched in his night speech here many of the other issue of the campaign and declared it was the Republican party which now offered a "constructive and progressive program" to readjust American affairs. Democracy "neglect, inefficiency, waste and wild extravagance," he denounced in a vigorous assault on the administration by which he declared the nation was "being led toward another crisis of stagnancy and unemployment."

HOLDERS OF THE ANGLO-FRENCH RECEIVE PAYMENT

**Morgan and Company Pay
Over \$150,000,000
For Bonds**

HAS TENDENCY TO RE- DUCE INTEREST RATES

NEW YORK, Oct. 15.—The largest international obligation over negotiated by American bankers passed into financial history today when J. P. Morgan & Co., as syndicate managers, disbursed upwards of \$150,000,000 to holders of notes of the Anglo-French \$500,000,000 five per cent five year loan.

Slightly more than \$200,000,000 it is understood remained to be paid at maturity today, the major part of the loan having been taken up by the British government many months ago. Although scores crowded into the Morgan offices at Broad and Wall streets during the day, the payments were made with despatch and without effect upon the money market.

In fact anticipation of its successful conclusion caused a pronounced decline in call money rates, many of today's demand loans being at 7 and even 6 per cent as against the recent ruling quotation of 8 per cent.

ATTENDED LIBRARY MEETING

Miss Ruth Carlson, Miss Bowman, Miss Case and Miss Weber of the Jacksonville public library have returned returned from Springfield where the state association has been in session. The local young women were present on different days and found the program as presented of inspirational value.

The themes presented and discussed all had practical value for librarians and those interested in library work.

FUNERAL AT WAVERLY

The remains of the late A. L. Kimber will arrive in Waverly this afternoon over the C. P. & St. L. and will be taken directly to the church where funeral services will be held. If road conditions are favorable it is probable that a large number will attend the services from Jacksonville.

ENGLISH MINERS TO GO ON STRIKE SATURDAY NIGHT

**Public Sympathy Ap-
pears to be With
Government**

OTHER UNIONS MAY JOIN IN STRIKE

LONDON, Oct. 15.—(By The Associated Press.)—There were no signs late tonight of any intervention or mediation to avert the coal strike which by decision of the miners' delegates in conference this morning, goes into effect on Saturday night, taking from the mines more than 1,000,000 men.

The cabinet at a meeting today discussed and decided upon all necessary steps to protect the public services and the interests of the public in general. The fact that the government has had such a long time to make preparations has tended to give a feeling of confidence to the people.

Premier Lloyd George will remain in London over the weekend instead of taking his customary visit to the country so as to be ready for any new development.

Emergency orders empowering the local authorities to take steps to economize in the use of coal and lighting have been issued by the secretary of mines. These orders will limit the consumption of domestic coal one hundred-weight weekly per household. The food ministry has been given permission to resume partial rationing if it becomes necessary.

Have Accumulated Coal

As the strike has been brewing for so long the authorities have accumulated large stocks of coal, while private consumers have laid in supplies. Hence, unless the strike is unduly prolonged, or the railway men decide to join the miners it is not expected the country will suffer seriously.

Public sympathy appears to be entirely with the government. Many people concede that the miners are entitled to an increase in wages by virtue of the increased cost of living, but contend that the men should have accepted the government offer to submit the matter to an independent tribunal. There is no doubt negotiations will continue during the strike and the hope is expressed that something in the direction of a settlement may come from the reassembling of parliament next Tuesday.

In the course of a speech after the miners' conference today, Robert Smillie, the miners' leader, expressed regret that the strike had been forced on the miners thru the "obduracy of the government and their unwillingness to recognize the equity of the miners' demands."

He declared he had adopted a pacifist attitude in the belief and hope that a great industrial struggle would be averted, but now that the miners had decided to enforce their claims by the only weapon left to them, he urged them to be of good cheer as they had passed thru more perilous times.

Mr. Smillie said unity was needed and he hoped there would be no blot on the good name of the miners' federation. Personally he would fight with them to the bitter end.

Other Unions Call Meetings

The executive of the transport workers' federation has called a meeting for Monday and a conference of the rail men and the transport workers will be held later on the same day to consider the attitude towards the miners' strike or the two other branches of the Triple Alliance.

The possibility of a railway tie-up has already caused a certain amount of panic, many travelers arranging to return home immediately. It is officially stated that although there is a three months supply of coal on hand, it will be necessary to institute rigid economy. It is probable petrol and perishable food stuffs will be carried on passenger trains.

The possibility of the railwaymen striking in sympathy with the miners is viewed with grave concern in government circles. Plans made by the ministry of food for use if the trouble extends are on a more comprehensive scale than during last year's coal strike.

VISITORS FROM NORTH DAKOTA

Samuel Ramsey, formerly proprietor of a livery stable at Murrayville, and now a resident of North Dakota is visiting his brother and sister at Murrayville. He is looking quite well and is pleased with his northern abode and incidentally remarks that the state seems solid for Harding.

SOME LARGE CORN.

County Commissioner George A. Wheeler, has left at the Ayers National bank some fine specimens of pipe corn. It is of course possessed of a large cob and one ear in particular, is very peculiarly shaped. There is a concern which handles large quantities of the cobs from this corn for the manufacture of pipes.

Bulletins From Here and There

ZURICH, Oct. 15.—According to an announcement by the German foreign ministry a great revolt is reported to have started in Moscow. The Kremlin there is declared to have been invaded.

NEW YORK, Oct. 15.—Jack Sharkey, New York bantamweight was awarded the judge's decision over Charley Ledoux, bantam-weight champion of France in a 15 round bout at Madison Square Garden tonight. The French title-holder weighed 117 1/2 pounds and Sharkey a half pound heavier.

MILAN, Oct. 14.—The congress of the league of nations societies today adopted a resolution in favor of the admission of enemy states into the league. A resolution also was passed making Brussels the headquarters of league of nations.

FAYETTEVILLE, N. C., Oct. 15.—Five men were killed and one seriously injured by the explosion today of a boiler in the cotton gin of the D. Bacey Gin company near Rowland, Rodeson county. The authorities are investigating a report that explosives had been placed in the boiler.

MILLERS WILL TRY TO GET REVISION ON FLOUR RATES

**Charge That the Present
Rates are Indiscrim-
inatory**

SHOULD BE TREATED SAME AS WHEAT

CHICAGO, Oct. 15.—The Millers' National Federation today chose a committee of twenty-five to supervise efforts to procure revision of present ocean freight rates on American flour and appropriated \$250,000 to be used by the committee in its work. The action was taken after an all day discussion in which it was charged that present rates on flour are discriminatory.

Flour should be given the same consideration as wheat, members of the federation declared in adopting resolutions asking that the high rates created by the United States shipping board be removed as a war time emergency no longer necessary. Members of the federation charged that British millers make flour from American wheat which is shipped cheaply and thereby procure European trade which has belonged to United States millers for years.

The high rate on flour, they charged deprived American labor of work in milling American wheat in this country. Present rates on wheat will result in exportation of 100,000,000 bushels of the 1920 crop it was said.

Continuation of the present rate will rob American millers of their entire export trade, according to the resolutions adopted.

LAST FORMAL CONFERENCE IS HELD

Chinese Representatives Meet With Those of the United States, England, France and Japan—Will Aid Hukuang Railway.

NEW YORK, Oct. 15.—Members of the Chinese Consortium held the last formal conference today when the final agreement was signed by representatives of the American, English, French and Japanese banking groups.

Informal sessions of the consortium will be continued here next week when the Chinese representative will be in attendance. It is understood that no request for a loan by China is now pending, but it is expected that steps will be taken to further the Hukuang railway project.

Execution of the agreement today represents the last step in a plan which had its inception two years ago when the state department addressed an identical note to the British, French and Japanese governments suggesting that they encourage in their respective countries the establishment of strong banking groups for the purpose of assisting China.

VERDICT OF NOT GUILTY RETURNED

Bilboa, Spain, Oct. 14.—A verdict of not guilty was returned today in favor of twelve members of the executive committee of the Separatist Society of Basque youths who were charged with legal actions tending toward the dismemberment of Spanish territory. Among the evidence were documents asking the intervention of President Wilson "in favor of weak nations," and there were also letters addressed to Cardinal Mercier and the Polish committee.

GENERAL FAYOLLE

NEW YORK, Oct. 15.—General Marie Emile Fayolle of France, representative of Marshal Pech at the American Legion convention sailed for home today on the LaTouraine.

Rio Jandiro, Oct. 14.—One person was killed and 20 persons were injured by the explosion of a bomb here tonight at the Central Railway station.

YORK, Nebr., Oct. 15.—Theodore Nodund, high school football player, died here as a result of injuries sustained in a game last Saturday. His neck was broken.

LOS ANGELES, Calif., Oct. 15.—Evidence of wholesale bribery of players in the 1919 season has been discovered, according to an announcement tonight by W. C. Doran, chief deputy district attorney who is directing the investigation begun today by the Los Angeles county grand jury into alleged corruption in Pacific Coast baseball league games. Doran stated testimony already given the investigators indicated scores of games were "thrown" for money last season.

BINGHAMPTON, N. Y., Oct. 15.—"Babe" Ruth sustained a fractured wrist in a game at Oneonta today between his "all stars" and the Endicott Johnson team of this city. He received the injury while attempting a slide to first base. Although in considerable pain he completed the game knocking out his customary homer in the eighth.

CONGRESSMAN'S NAME APPEARS IN JURY INVESTIGATION

**Alleges That a Woman
Offered Him \$10,000
Bribe**

LANDIS ENTERS INVESTIGATION

CHICAGO, Oct. 15.—The name of a United States congressman today was brought before the federal grand jury investigating an alleged whiskey ring by a government official in telling of a \$10,000 bribe offered him by a woman to stop prosecution in connection with recent whiskey traffic disclosures here. The woman, the witness testified, frequently conferred with the congressman. The official said he was led to believe that the congressman was interested in the whiskey-ring.

After a conference between federal officers late today it was said that Miss Antonette Duryea for some time a familiar figure around the federal building, and Harry D. Allen, a department of justice agent, would be asked to tell officials whether they knew anything of the alleged "ring."

Federal Judge Landis actively entered the investigation today when he called two wholesale manufacturing druggists before him to explain an alleged excessive amount of alcohol in their products.

MORE SUBPOENAED IN BASEBALL SCANDAL

Will Ask New York Man to Testify—St. Louis Men Will Be Asked to Substantiate Testimony of Manager Gleason of the Sox.

CHICAGO, Oct. 15.—The Cook county grand jury investigating the baseball scandal today subpoenaed Arnold Rothstein of New York and three St. Louis men to appear before it next Tuesday when it will reconvene.

Rothstein was mentioned by several witnesses previously before the jury and will be asked particularly, it was said, concerning any talks he may have had with Abe Attell or Bill Burns concerning the possibility of fixing the 1919 world's series.

The St. Louis men called are Harry Redmond and Thomas C. Kearney.

It was said that they would be asked to substantiate the testimony of "Kid" Gleason, Chicago American League manager, concerning a trip he made to St. Louis last fall to investigate possible crookedness in the series.

REPORTER SAYS

LIQUOR FLOWED

New York, Oct. 15.—The federal grand jury in Brooklyn today began a formal investigation of general charges made by a reporter for a Philadelphia paper that Mayor Hylan and other public officials recently attended a dinner at a Brooklyn inn at which liquor flowed and that no effort was made to check the flow. It was not charged that the mayor tasted a drop.

TWELVE MEMBERS OF CREW ARE LOST

Havana, Oct. 15.—Twelve members of the crew of the schooner W. P. Heat were lost two miles off Santiago de Cuba when the vessel collided Thursday with the American steamer Cayo Mambé, says a dispatch from Santiago de Cuba today.

GILLHAM-RICE

WEDDING TONIGHT

Mrs. M. E. Leavens of Fulton, Mo., is a guest at the home of her father, J. C. Gillham, 739 West State street. Mrs. Leavens came at this time to be present at the marriage of her brother, H. L. Gillham of Indianapolis, Ind., to Miss Florence Rice. This will be a quiet home wedding event and will be solemnized tonight at the home of Mr. and Mrs. A. C. Rice on West College avenue.

APPOINTMENT OF BOARD OF INQUIRY FOR HAITI TROUBLE

**Would Investigate In-
discriminate
Killings**

GENERALS RECOMMEND COURT MARTIAL

WASHINGTON, Oct. 15.—Secretary Daniels announced today that he had appointed a board of inquiry to make a thorough investigation of "all wrongs alleged to have been committed by United States marines in Haiti," and particularly the reference to "indiscriminate killings," in Brigadier General George Barnett's confidential letter of a year ago to Col. John H. Russell, marine commander in Haiti.

Secretary Daniels at the same time made public Colonel Russell's report on the investigation ordered by General Barnett and a report on a supplementary investigation by Major General John A. Lejeune, Brigadier General Snedley D. Butler.

Colonel Russell's report giving the result of the investigation ordered by General Barnett as a result of evidence adduced at the trial of two marine privates which showed, the general said, there had been "practically indiscriminate killing" of captive Haitians, placed the responsibility for "conditions" in Northern Haiti on Major Charles H. Wells, who had previously been commander of that district.

Expressing doubt as to whether evidence secured in the investigation was "sufficient to warrant trial by general court martial on charges of such a serious nature," Colonel Russell recommended that the evidence be placed before the judge advocate general of the navy for determination as to whether the offer should be tried.

Recommend Court Martial.

While agreeing with Colonel Russell as to Major Wells' responsibility for conditions, the report of General Lejeune and the report of General Snedley D. Butler proceeded as well against "all persons implicated who can be brought within the jurisdiction of the court."

That there had been "illegal execution of prisoners" in Northern Haiti during the winter of 1918-19 became known to Brigadier General A. W. Catlin, then commanding in Haiti when he made an investigation the following March the two generals reported.

"He transferred the officers against whom charges were made but took no further disciplinary action."

Declaring examination of witnesses showed a "serious bandit situation in Northern Haiti that winter which was badly handled" by Major Wells as commanding officer, the report continued:

Report "Everything Quiet."

"A number of these witnesses also stated that the above mentioned officer gave his subordinate officers to report 'everything quiet' in spite of the fact that collisions with the bandits were frequently taking place. These witnesses also stated that, in their opinion this officer desired to keep his superior as to affairs from his superior as to prevent the gendarmes (native constabulary) under his command from being superseded by the marines, who at that time were concentrated at Port au Prince and Cape Haitien."

"Some evidence indicates that his orders to officers were partly responsible for illegal executions. During the months of November and December, 1918, and January, 1919, several bandit prisoners were illegally executed at Hinche by gendarmes acting under orders of their officers and there is strong evidence that several bandits were killed by the gendarmes."

FATHER AND SON BANQUET IS HELD

Murrayville Has Event in M. E. Church—Rev. E. L. Fletcher and J. S. Findley Among the Speakers.

Murrayville, Oct. 15.—A Father and Son Banquet was held in the basement of the M. E. church here this evening. There was a large attendance and the affair proved of great interest. Rev. J. C. Bell, pastor of the church, was toastmaster, and Rev. E. L. Fletcher and J. S. Findley were among the speakers. The program:

Who Shall I Father to My Son—Rev. E. L. Fletcher.
What Part Shall a Father Take in Helping the Church to Help His Son—Rev. Mr. Bracewell.
What Shall the Church Do for the Boy and How Shall It Be Done?—Warren E. Wright.
What I Think the Boys Want and Should Have—Prof. Lettice.
How to Organize the Young Men—J. S. Findley.
Song—Boy's Quartet.

A committee was appointed to look into the proposition of organizing a boy's club or a community club.

CAMPAIGN ON H. C. L. WILL BE ABANDONED BY THE GOVERNMENT

**\$500,000 Has Been Spent in
Conducting the
Campaign**

LACK OF FUNDS FORCED DECISION

WASHINGTON, Oct. 15.—The government drive against the high cost of living, abandonment of which has been set for November 1 has cost approximately \$500,000 according to figures at the department of justice, which today sent letters to all fair-price organizations informing them of the conclusion of the campaign.

Department officials said the lack of funds had forced the decision to dissolve the organization built up for the war on profiteers. They pointed to collections of fines aggregating more than \$275,000 assessed against convicted profiteers, as evidence of the success attained. Further fines might be collected, it was added from the more than 1,600 persons and firms indicted.

Convictions obtained totaled 181, records of the department showed. There remain more than 200 other cases where arrests have been made but the trials have not been held. Prison sentences imposed aggregate ten years and ten months in cases already decided. Officials said this represented more than forty convictions, since most of the sentences were short.

JACKSONVILLE HIGH PLAYS IN DECATUR

**Local Squad Faces Tough Propo-
sition in Game This After-
noon—Decatur Coach Respects
Local's Prowess.**

Jacksonville High will journey to Decatur where they will play the strong high school team of that city on Millikin field.

Decatur this year has one of the strongest teams that has represented the school in several years. Last Saturday they defeated the Taylorville high school by a large score.

While Jacksonville will be weakened by the injury to Alexander they will go in the game determined to give Decatur the best they have. If they play the kind of game they played against Hannibal and Pittsfield the Decatur team will know they have been in a real football game.

Coach Mitchell has been working the squad hard during the week and they are in fairly good shape aside from Alexander. There is no question but what his injury will weaken the local squad. The Decatur Review has the following:

Following their easy victory over the Taylorville team last Saturday, the red and white eleven started real work Tuesday evening for the Jacksonville contest that is to be played at Millikin field this week.

Monday evening saw Coach Murr giving the fellows a little rest but he expected to drill them hard during the rest of the week. The work of the men during the first period of the Taylorville game did not suit the Missouri athlete and he is not expecting to see the same sort of football in the next contest.

Jacksonville lost a hard fought game to Pittsfield Saturday by a score of 7 to 0. The winners were a veteran eleven and proved to be one touchdown stronger than Jacksonville.

Mitchell, former Illinois College star, is coaching the town west of Springfield and as he received his training under Harmon one of the coaches in the I. J. A. A. visitors should perform in a creditable manner.

WOULD PLACE EMBARGO OF FOREIGN WOOL

Salt Lake City, Utah, Oct. 15.—The wool growers of the United States are preparing to make a determined effort to secure legislation placing an embargo on foreign wool at the December session of congress, according to an announcement today by F. R. Marshall, of Salt Lake, secretary of the National Wool Growers association. The embargo legislation is to equalize the price of foreign wool to that received by United States growers. At the present he asserted, thousands of tons of domestic wool remains in the store houses of the country, while clothing manufacturers and others are purchasing wool grown in foreign countries at lower prices.

SNOW DAMAGES

COLORADO PROPERTY

Pueblo, Colo., Oct. 15.—Much property damage has been done by heavy snows the last few days in the region south of here. Many small buildings have been wrecked, bridges washed away by the swollen streams and the telephone and telegraph communication with that region destroyed. No loss of life has been reported.

BANK PRESIDENT

TAKES OWN LIFE

Fort Worth, Tex., Oct. 15.—T. R. McLean, president of the First National Bank of Mount Pleasant, Texas, was found today with a bullet wound in his head. He died soon afterwards. The bank closed its doors last week.

WILSON WANTS TO KNOW ABOUT RECENT DECLINE IN WHEAT

**Governor Allen Has
Been Asked for
Information**

ALLEN WILL COMPLY WITH REQUEST

WASHINGTON, Oct. 15.—President Wilson has requested Governor Allen of Kansas to forward to the federal trade commission any information he has tending to indicate that the recent decline in wheat prices was due to unfair practices or competition or other artificial causes.

Philadelphia, Oct. 15.—Governor Henry J. Allen, of Kansas, said here tonight that he would comply with the request of President Wilson and forward to Washington information in his possession concerning the recent decline in wheat. He expects to return to Kansas within a few days and said that he would give the matter his attention then.

In a statement Governor Allen said:

"Almost immediately upon the re-opening of the Chicago Board of Trade, the wheat market lost its natural stability and began to manifest the fluctuations which characterize a manipulated market. The dealers in options upon the Canadian wheat they had bought have driven down the wheat in the United States and have scored the most sensational decline since the war.

The president has no power to establish a differential. The only thing he can do is to thoroughly investigate the gambling on the board of trade and bring such reaction as is possible. When the next session of congress assembles undoubtedly it will restore the tariff of 25 cents a bushel with which the Republicans protected wheat."

ILLINOIS COLLEGE AT NORMAL TODAY

**Play Teachers on Their Field—
Normal Team Said to be Weak
This Year.**

Coach Harmon will depart for Normal this morning with his Illinois football squad. This afternoon they will tackle the Normal University team on their own field.

Coach Harmon is expecting a victory but is not taking any chances. The Normal team is unusually weak this year, being composed mainly of green men. One can never tell what the day may bring forth and Harmon's men will go into the game this afternoon determined to roll up as large a score as possible.

Millikin made 106 points against Normal last Saturday but Illinois probably will not do as well, mainly because Normal will be stronger than a week ago and also because the team will be playing on their own field.

Coach Harmon will take practically two teams on the trip. He believes this is the best way to give his green men experience. This is about the only way it can be done. It is probable that every man taken will get a chance to show his wares this afternoon.

The following team will start the game:

Witacsek, le; Ifner, lt; Gunn, lg; Fiedling, c; Andrew, rg; Reid, rt; Darr, re; Locke, lb; Scott, rb; Cully, qb; Rogers, fb.
Substitutes: Barnes, rh; Green, qb; Jones, lb; Ferreira, rb; Barker, lt; Andrew, rt; Miller, c; Weber, rg; Burrus, lg.

ARMY PLANES WILL HOP OFF SATURDAY

Wingma, Minn., Oct. 15.—The four army planes, on their return flight from Nome, Alaska, to Minneapolis, N. Y. will hop off for Grand Rapids, Mich., tomorrow morning, weather permitting, according to Captain St. Clair Street in command of the squadron.

The fliers who arrived here Thursday afternoon from Fargo, were unable to leave today as planned, because of heavy fog banks, that followed the rain of last night. With further showers predicted for tonight it was doubtful if the planes would get away tomorrow.

Member the ASSOCIATED PRESS. The Associated Press is exclusively entitled to the use for republication of all news dispatches credited to it or not otherwise credited to this paper.

It has been asserted that increased production is noticeable in at least one industry—the private still.

Carl Robinson is perfectly willing to leave judgment of his official record as state's attorney to the voters in November.

The Tribune's course in supporting the Democratic nominee for governor in this state should be very encouraging to Len Small, the Republican nominee. The Tribune has an unparalleled record for advocating the nomination of men subsequently defeated. This statement applies to state affairs, rather than to national. The fact is, the Chicago press is so vindictive—so biased—in utterance that its influence has been very largely curtailed.

The ballot which the voters will use on Nov. 2nd will be the largest ever printed for a national election. Eleven tickets will be presented on that big sheet for the judgment and discretion of the voter. For some persons the hundreds of names and the big sheet will be confusing. A sure way to have your ballot counted

Four Days—Monday, Tuesday, Wednesday and Thursday. The one big bet of the season.
"Everywoman"
IS GREAT FILM SPECTACLE
The beauty picture supreme. A super-sensation of unlimited appeal. The greatest of all modern love stories.
Everywoman, before starting on her quest for Love surrounded by her companions, Beauty, Youth, Modesty and Conscience. Everywoman heads the Whisperings of Passion who leads her to the orgy of pleasure staged by Wealth where she sees Passion consorting with Vice and learns that he is not Love. The pace set by Wealth causes Beauty to be stolen from Everywoman and with Youth she tries to win Love at the gaming tables but again fails. Finally deserted even by Youth, the last of her companions, she is found by Truth and Conscience and they succeed in bringing her to real Love.
High Lights in the Action of "Everywoman" are Superb
The stage scene which marks Everywoman's triumph in the leading role of a musical comedy. Full shots revealing the entire stage and the members of the audience interspersed with fascinating glimpses behind the scenes make the spectacle exceedingly interesting. The costumes worn by Miss Heming and the members of the chorus are breath-taking.
The banquet tendered to Everywoman by Wealth. The table is shaped in the form of a huge dollar sign and in its two centers is a dancing platform and a swimming tank. When the revelry of the diners has reached its height girls in striking bathing suits show themselves and disport in the water, the while Wealth throws them silver and gold pieces.
The gambling rooms where Everywoman goes in search of Love. Every variety of gaming table is shown, the players eagerly watching the results of wheel, cards and dice.
The riotous New Year's Eve celebration whither Everywoman goes, now deserted by Youth and Beauty, in an endeavor to win her way again to Wealth's good graces. She fails and Wealth goes his way on the primrose path with Vice as his companion. Again do gorgeous gowns make more extravagant the spectacle.
The fight by the waters of Oblivion beneath Wealth and Passion for the possession of Vice. In the mad scuffle both are precipitated into the waters and Vice goes on her way this time accompanied by dissipation.
Everywoman left alone in the world with Nobody her friend. Lonely, however, she is found by Truth and Conscience, who carry her home, where she finally meets true Love.
Daily Arranged Music by Brown's Lady Orchestra
Admission 10c and 22c—Plus War Tax

non-partisan basis. He upheld the Democratic war department which took eighteen billions of our liberty bond money, and wasted exactly one-half that amount in order to promote the most stupendous national fame of profiteering this country or any other has ever seen. Lewis comes too fresh from the White House to appeal to citizens of this district and state who feel and know that a change, and a radical one, must come if this country's affairs are to be stabilized.
"This senatorial district will elect the two Republican candidates for the legislature. What Democrats will do in that regard, I am not qualified to predict."
Searcy, as before the primary, will spend much of his time from now on in Morgan county. He says that, so far as he is concerned, this county composes fifty per cent of his district, and further than that, he feels an especial obligation for the handsome vote which the county gave him in the primary.
THE PRICE OF WHEAT
This being a farming community, it is important that a farmer may have every scrap of information touching his interests that is possible to gather. We are in the midst of a political campaign and one of the main differences between the Republican and Democratic parties is with reference to the tariff. What has caused the recent fall in the price of wheat and corn? Does the farmer of this community desire that his land shall be depressed in value to that of Canada and Argentina?
Does the farmer of this community desire that the farm products of Canada and Argentina shall be placed in direct competition with the farm products of Morgan county, without regard to the investment in the farm?
If any farmer has ever had a doubt as to what has caused the fall in the price of wheat and corn, which necessarily carries with it the depression of the livestock market, he should read "The Market Reporter" of the United States Department of Agriculture, Bureau of Markets, of October 9, 1920, on page 235, where he will find the following quotation:
"Radical Declines in Wheat.
"The readjustment in wheat prices was radical. On October 2, Chicago December wheat sold at \$2.06, which was a decline of nearly 11 cents for the week. This is low point since trading in wheat futures began, July 15.
"Two factors have injected themselves into the grain trade situation, and which are generally accepted by the members of the trade as being bearish, are the importations of considerable amounts of wheat from Canada to spring-wheat millers, and of Argentine corn at New York. Furthermore, it was reported in the last week that Canadian flour was being offered on this side of the line at \$1 to \$1.50 under American mill prices.
"It was recently reported that approximately 1,000,000 bushels of wheat was sold in Milwaukee. A Chicago mill was reported to have purchased between 300,000 and 400,000 bushels direct a short time ago, and a cargo of Canadian wheat was reported en route to Toledo mills the last week."
"Argentine Corn at New York.
"Commercial reports say that there is now approximately 3,000,000 bushels of Argentine corn in New York and that the storage capacity is about exhausted. A cargo of this corn arrived in the last week, part of which was reported to have been resold to go to England at 99 cents a bushel. The price of corn in Buenos Aires, Argentina, for December delivery is within two or three cents of the price of the December future in Chicago."

Rippling Rhymes
By Walt Mason
PAPER CLOTHES.
They're talking now of paper suits, and paper shirts and collars, and paper socks, and paper boots—great scheme to save the dollars! My paper rags seem good and right, while at my tyre I'm slaving; but there's no other gem in sight who is intent on saving. Men do not want the cheaper things, when they go blithely shopping; they'd like to wear the robes of kings, though bank accounts be popping. The janitor of this, our flat, says, like a lord blue-blooded, "I want to buy an ermine hat and necktie diamond-studded." And he would paw and beat his breast and cut an angry caper, if you in kindness should suggest a nice new suit of paper. The timidity wants imparted cloth when he goes out for raincoat; for paper suits that cut swath he'd never make a payment. My paper pants look rather cheap, and they're a frost alarm, and often I'm inclined to weep when in my paper nightgown; beneath my paper hat I write, beside the heaving pillow, I save all day and sleep all night upon a paper pillow. And I'm the only guy on earth who's cautious, saving, thrifty; my paper duds have little worth, but bank accounts are nifty.

Another big sale today on Fig Taffy at 30c the pound. Also the Pecan Caramel Puff, at 10c each. These are the candy hits of this year. Get them only at **MERRIGAN'S.**

CAPTURED THE BRIDEGROOM
Frank Vannier, assistant superintendent of the Eli Bridge Co., certainly paid the penalty for slipping away and being married without the consent and advice of his associates. Mr. Vannier and Miss Robinson were married recently and in celebration of that event Mr. Vannier was "captured" late yesterday afternoon by his associates, placed in a cage and brought by motor truck into the business district.
There were 12 or 15 in this party and with strings of bells and other "musical" instruments they attracted public attention to their prisoner, "the latest bridegroom in captivity." Mr. Vannier evidently took the celebration good naturedly, but possibly he deserves no credit for this "good nature" for he was utterly at the mercy of Ben Roodhouse and others who planned the event.

PEACHES! PEACHES!

ASBURY SUNDAY SERVICES.
Church services at 9 o'clock a. m., followed by unday school at 10 o'clock.
Special revival services will be held each evening next week at the church.
G. W. Randle, pastor
L. A. Reed, S. S. Supt.

Social Events
South Side Circle Met
With Miss McIntyre.
The South Side Circle held its regular meeting Friday afternoon at the home of Miss McIntyre, 143 South Main street. An interesting paper on "Americanization" was read by Mrs. C. W. Lent and was followed by general discussion. Following the program a social hour was enjoyed and refreshments were served. The next meeting will be held Friday October 22 at the home of Mrs. W. T. Reaugh, West College avenue.

Gleaners of Ebenezer
Held Meeting Recently.
The Gleaners of Ebenezer church held a meeting recently at the home of Mrs. Clyde Cooper. There was a large attendance of members and a number of visitors. Miss Elsie Cully was in charge of the program which follows:
Song.
Roll Call.
Music—Mrs. Will Hadden.
Reading—Mrs. Ellen Bridgeman.
Vocal—Miss Elideth Deweese.
A social hour followed and the hostess served refreshments. The next meeting will be held with Miss Elsie Cully, October 27.

Birthday Party at
Hembrough Home.
Mrs. E. D. Hembrough entertained eight little girls Thursday afternoon, the occasion being the eighth birthday of her daughter, Muriel. The hours were from 4 until 6 o'clock and they were spent with games and music. Dainty refreshments were served, the colors being pink and white to correspond with the decorations in the dining room. The small guests departed with many good wishes for their young hostess.
The company included—Frances Heaton, Thelma Allan, Bernita Allan, Jeanette Angelo, Frances and Helen Ranson, Mildred Watson, Irene Wardie, Muriel Hembrough.

Service Star Legion Met
With Mrs. F. J. Andrews.
The Service Star Legion held its first regular meeting of the autumn at the home of Mrs. F. J. Andrews, 1252 West College avenue Friday afternoon. There was a good attendance of members and several visitors also were present.
The regular business of the legion was transacted and it was announced that Mr. Triplady who is to lay out the victory drive and supervise the planting of the trees would be here soon.
Miss Virginia Bullard favored the members with two piano numbers and Mr. Chase, son of Prof. Chase of Illinois College, gave a reading.
A social hour followed the business session during which refreshments were served. Mrs. Andrews was assisted by Mrs. L. P. Allcott, Mrs. W. A. Bancroft and Mrs. Armstrong.

Reception Given
For Woodson Pastor.
The Woodson Christian church gave a reception Wednesday evening for their pastor, Rev. I. H. Fuller and wife. The program of the evening was brief but interesting. Mrs. Earl Hembrough gave a reading which was enjoyed by all. Two splendid numbers were rendered by the male quartet, and the reading of "The Crepe on the Door" by Mrs. Harry Harney was one of the special features. Musical selections were given by Maurine and Eloise Self and by the Juniors of the Sunday school.
Rev. A. E. Powell of the Presbyterian church and Dr. Miller were heard in brief remarks and Rev. I. H. Fuller responded to a call for a talk. He spoke from the words "And the disciples went and did as Jesus commanded them." He said that when every Christian in Woodson is willing to do as Christ wants him to do, business will pick up in the church life.
Refreshments were served by the women of the church, and altogether it was a memorable occasion.

Our stationery department
offers a Christmas special, which should be ordered early. A box of fine linen stationery, any color, with your three letter monogram, engraved from a special steel die, in color, for \$2.50 a box. **F. J. WADDELL & CO.**

LADIES' AID OF MERRITT
HOLD MEETING
The Ladies' Aid of the Merritt church recently held their regular business meeting at the church with a good attendance. After the regular business session the ladies spent the remainder of their time planning a chicken dinner and an oyster supper to be held at the church Nov. 2.
Everybody is cordially invited to attend.

New styles today in reliable Furs, Coats, Scarfs, and Chokers. In new waters for ladies and children. Surplice, Tuxedo and coat styles. New blankets and comforts. New cotton and silk petticoats. All at special prices. **F. J. WADDELL & CO.**

Mr. and Mrs. C. S. Black and son Paul have returned from Minneapolis, Kans., where they went to attend the wedding of Miss Ethel Hughes and Clyde D. Black, which was solemnized Thursday.

For good fall and winter clothing for men and boys, go to **KNOLES.**

DR. COCHRAN HOME FROM MEETING
Dr. C. C. Cochran has returned from Hot Springs, Ark., where he attended the annual sessions of the Medical Society of the United States.
Dr. Cochran was elected vice president of the society. Dr. Charles E. Mooers of Seattle, Wash., was elected president and Dr. Noble Younkin of Magley, Ind., secretary.
Dr. Ely G. Jones of Buffalo, N. Y., is the honorary president. Dr. Jones is widely known as an author of many standard medical books and recently had an offer to go to India to teach medicine in that country.
The attendance at the meeting was not as large as usual, but there was great enthusiasm shown. The Business Men's club of Hot Springs were royal entertainers of the delegates and two automobile trips thru the mountains were on the program of entertainment.

RIDGELY ENCAMPMENT HELD HOMECOMING
Ridgely Encampment No. 9, I. O. O. F., held a home-coming at their hall on West State street Friday evening. There was a good attendance of members.
The resignation of Albert Baldwin as scribe was presented to the lodge. Mr. Baldwin was compelled to resign because of a change in his hours at the Post-office. John T. Roberts was elected to succeed him. Arthur Ellis was elected as staff captain.
A membership campaign was planned and after the meeting the members repaired to the dining room where a fine oyster supper was served. The committee in charge was composed of W. E. Thomson, J. A. McGlothlin and Charles Balsley.

Sure Relief

BELL-ANS
FOR INDIGESTION

BACK ACHE

Limber Up With Penetrating Hamlin's Wizard Oil

For Iame Back, Sideache, Shoulder Pain, Stiff Neck, etc., use Hamlin's Wizard Oil. It penetrates quickly, eases the pain and drives out the soreness. Keep it in the house.

Wizard Oil is a good dependable preparation to have in the medicine chest for first aid when the doctor may be far away. You have no idea how useful it will be found in cases of everyday ailment or mishap, when there is need of an immediate healing, antiseptic application, as in cases of sprains, bruises, cuts, burns, bites and stings.

Generous size bottle 35c. If you are troubled with constipation or sick headache try Hamlin's Wizard Liver Whips. Just pleasant little pink pills at druggists for 30c.—Adv.

"Pain's enemy"
—I'll say it is!

WHEN you want quick comforting relief from any "external" pain, use Sloan's Liniment. It does the job without staining, rubbing, bandaging. Use freely for rheumatism, neuralgia, aches and pains, sprains and strains, backache, sore muscles.

LARD GAMES ON SCHEDULE FOR TODAY

Three Southern Elvens Will Face Leading Eastern Teams Today As Well As One from the Middle West—Yale-Boston and Syracuse-Pittsburgh Leading Contests.

New York, Oct. 15.—Intercollegiate football games feature the eastern intercollegiate football card tomorrow. Three southern institutions and one from the edge of the middle west will oppose eastern elvens of high calibre on the latter's home grounds. Washington and Lee plays Princeton at Princeton; Virginia Poly faces Rutgers at New Brunswick and North Carolina invades the Penn State field.

To adherents of the eastern collegiate field greater interest will center in the outcome of the Yale-Boston college and the Syracuse-Pittsburgh games.

Boston College started the football world last fall by defeating Yale, 5 to 3, and Syracuse upset the gridiron prophecies by overcoming Pittsburgh 24 to 3.

At New Haven the Yale team has just begun to round into a semblance of its mid-season form but the full power of the Blue is still unknown. Coach Tad Jones and his assistants have been working steadily with the large squad candidates available, but just what amount of real football ability has been developed cannot be told in advance of the play.

Williams will send into the game against Harvard a team which performed impressively in the early contests of the season but is not likely to catch the Crimson off guard. A close struggle is anticipated, with the home team having a slight advantage in the final accounting.

LaFayette already defeated by the Army will face Pennsylvania and the Quakers are confident that their team can duplicate their victory of the last season.

Potatoes \$1.50 bushel, delivered. Berger Motor Co. Illinois Phone 1086. Bell phone 649.

MATRIMONIAL

Deuwer-Brown.
Thursday Frank Deuwer and Miss Myra Brown were united in marriage at the home of the bride's parents, Mr. and Mrs. Herman Brown, four miles north of Waverly. A number of friends witnessed the ceremony and all most cordially wished the newly married pair a successful and happy journey thru life. A fine dinner was served by the bride's mother and the entire affair was most happily conducted. The home was beautifully decorated and the ceremony was deeply impressive.

Mr. and Mrs. J. A. Long of this city were guests. Mrs. Long is a sister of the groom.

Mr. Deuwer is a prosperous and progressive young farmer of the vicinity of Waverly and his wife is a daughter of a tiller of the soil. Both are highly estimable young people and have a host of friends who desire for them an abundance of the good things of life.

SPECIAL SALE OF SEALY MATTRESS PRODUCTS

Every mattress manufactured by the Sealy Mattress Co. is fully guaranteed and they are all especially priced for this week. See the Sealy Mattress display in our west window.

DEMOCRATS HEARD CAMPAIGN ADDRESSES

Congressman Rainey and Peter Waller Talked About State and National Issues.

The Democratic meeting held at the court house Friday night was quite well attended. Walter W. Wright was chairman of the evening and introduced the speakers, Peter A. Waller, who is candidate for the U. S. senate, and Congressman Henry T. Rainey. Mr. Waller was appointed by Gov. Dunne as a member of the Illinois centennial commission and represented his district in the national convention at San Francisco. So he is quite well known in Democratic circles.

The candidate spoke very briefly last night but gave his audience some insight as to his ideals of public service and what he considers the need for Democratic representation at the national capital.

Congressman Rainey said that the party found pleasure in offering to the state of Illinois a candidate who is at the head of an extensive business capitalized by American business men, in competition with the candidate of the Republican party, who is the head of an international system operated on British capital.

Mr. Rainey defended the Democratic party on charges of inefficiency and extravagance, especially as related to the war. He said that the Republican investigation of expenditures amounted to nothing and that the 27,000 word report, made at an expense of nearly \$2,000,000, indicated no guilt.

He went on to say that when the war came the country was in a state of preparedness because Democrats foreseeing the war prepared necessary legislation in skeleton form and thus saved months of time when the war really came.

The congressman attacked Len Small and Mayor Thompson and he said the only safe course for Illinoisans was to elect a Democrat to the governorship.

FOOTBALL GAME AT WINCHESTER FRIDAY

Virginia Players Win From Winchester With Score of 13 to 0 Teachers' Institute Closed—Other Winchester Happenings.

Winchester, Oct. 15.—In spite of the inclement weather, the game between Virginia and Winchester football teams was played this afternoon. The score was 13 to 0 in favor of Virginia. It was a well played, clean game throughout and was witnessed by a large company. Many of the merchants closed their places of business on account of the game between the hours of 3 and 4 o'clock. The line-up was as indicated below:

Virginia:	Winchester:
Flannigan	Roosa
Burgert	Balsley
Smith	Jefferson
Kike	Patrick
	Lashmet
Davis	Cohan
Murray	
Crawford	Evans
Farrar	Smith
	Patrick
Pratt	Dahman
Gill	Killinger
McDonald	Kirkman

T. C. Hamilton was a business visitor in Griggsville Thursday.

Paul Priest arrived home Friday from the Gem City Business College inincy for a short visit with relatives.

Miss Mildred Funk came from I. W. C. in Jacksonville for a week-end visit with home folks.

Mrs. Sol Hainsfurther and son Robert left Friday afternoon for a short visit in St. Louis.

Frank G. Cunningham returned to his home in St. Louis Friday afternoon after a visit at the home of T. B. Lyons and sister.

Prof. Felt left Friday for his home in Carbondale, after serving as one of the instructors at the teachers' institute this week.

Mrs. Marshall Miller and daughter of Jacksonville motor to Winchester Friday afternoon and were accompanied home by Miss Marian Miller, one of the teachers at the high school.

The teachers' institute, which was one of the most interesting and profitable ever held in Scott county, closed Friday afternoon. The attendance was large at each session throughout the week.

Dan McLaughlin of Cerro Colorado is visiting his brother, William McLaughlin and family and other relatives.

RUPTURE EXPERT

Seeley, Famous in This Specialty, Called to Springfield.

F. H. Seeley of Chicago and Philadelphia, the noted truss expert, will personally be at the Lealand Hotel and will remain in Springfield Tuesday only, Oct. 19. Mr. Seeley says: "The Spemetic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast improvement over all former methods—exemplifying instantaneous effects, immediately appreciable and withstanding any strain or position. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatment or prescription. Mr. Seeley has documents from the United States Government, Washington, D. C., for inspection. All charity cases without charge, or if any interested call, he will be glad to show same without charge or fit them if desired. Business demands prevent stopping at any other place in this section.

P. S.—Every statement in this notice has been verified before the Federal and State Courts.—F. H. Seeley.

FOOTBALL BATTLE AT WHITE HALL TODAY

White Hall High to Meet Carrollton Team this Afternoon—Wayne Knox Appointed Weather Observer—Other News.

White Hall, Oct. 15.—White Hall High goes into its hardest football battle of the season next Saturday at Griswold Park, White Hall, when it meets Carrollton High, a team that has been in three games during the present season without a single score being registered against it. The morale of the local team is being enspirited for the battle royal. A pep meeting is scheduled for Friday night, at which if they do not appear in person, there will be words of encouragement from former White Hall football stars, none the least of whom is C. J. Moynihan, who later became captain of the University of Illinois eleven, now a prominent Colorado lawyer, being located at Montrose in that state. White Hall feels the honor to accrue by being the first team to defeat Carrollton.

A wrestling match for the championship of Greene county is scheduled to take place at Patterson next Saturday evening, the contenders being Jack Cagle, of Hillview and Jesse Williams, of Patterson, champions of their respective localities. Each man has defeated Schaffer of Alton, and the championship of Greene county will fall to the winner of this match. The match goes two out of three falls, American style of wrestling. There will be a preliminary match.

Wayne Knox has been appointed cooperative observer of the weather bureau at White Hall, and has taken up the duties. He is the son of Mr. W. T. Knox, and is the sort of a young man to make a very obliging and efficient weather clerk, although there is no salary attached to the work, the government steadfastly maintaining its position of securing all this foundation work of the service free of charge. Mr. Knox succeeds R. B. Pearce, who maintained the daily records for twelve years, and who has received the following complimentary words from C. J. Root, meteorologist, in charge of the Illinois section at Springfield: "I regret very much that we must sever our social relations. You, Mr. Pearce, have been the most faithful and probably the greatest weather bureau booster that we have had in the Illinois section. I have done everything I can to hold you on the job, but of course the final decision had to rest with you. May I take this opportunity to express to you the thanks and appreciation of the chief of the weather bureau and this office for your co-operation and service in the past and to assure you that we wish you succeed in whatever field you choose for the future."

WESTERN CONFERENCE TEAMS PLAY TODAY

Chief Interest Centers in the Contest Between Illinois and Iowa at Urbana—Northwestern and Wisconsin Will Be an Interesting Battle.

Chicago, Oct. 15.—Altho every football eleven in the Western Conference will be engaged in battle tomorrow chief interest centers in the contest between Iowa and Illinois at Urbana, which is expected to develop into one of the hardest fought contests of the season.

The Illinois eleven winner of the championship of the "Big Ten," will go into the game with a squad of veteran players, but Iowa holds a slight advantage as a result of two early season games. The Hawkeyes are reported to be in mid-season form and ready for a bruising contest. Having beaten Cornell College and Indiana, Iowa is recognized as a contender for the western championship.

Northwestern will take the field against Wisconsin at Madison. Northwestern's surprising upset of Minnesota, a week ago, has made this eleven a dark horse in the campaign.

Ohio State's showing against Purdue tomorrow will be watched with interest because of the important games on the Buckeye's schedule later this month.

Minnesota will clash with Indiana at Minneapolis. The Gopher eleven is expected to show reversal of form over a week ago.

Chicago and Michigan will play non-conference elvens, Chicago taking on Wabash, while Michigan will meet the Michigan Aggies. The Aggies have been beaten twice this season and Coach Yost expects to have but little opposition.

Outside the conference, Notre Dame and Nebraska will meet at Lincoln in the biggest non-conference game on tomorrow's mid-west schedule.

These teams have met on four occasions and each has won two games. Both elvens have been pointed for this contest since the opening of the season.

If you are looking for good clothing you can do no better than to see the fine assortment at KNOLES.

Funerals

Cruse.
Funeral services for Mrs. Mary A. Cruse were held from the residence of her son, Jefferson Cruse, 508 South Main street at 2 o'clock Friday afternoon in charge of Rev. C. M. Kittle, of Moline.

Music was furnished by Miss Cora Graham, Mrs. Mae Hitt, T. H. Rapp and W. W. Gillham. The flowers were cared for by Misses Allene Smith and Helen Ehler. Burial was in Jacksonville cemetery, the bearers being, F. L. Biggs, J. R. Smith, J. Johnson, Louis Biggs, James Birdsell, and Dexter Woodward.

OBITUARY.

Samuel Jenkins was born near Virginia, Ill., June 5, 1856 and departed this life at his home in Ashland, Oct. 12, 1920.

When a young man he came to Ashland, Ill., and has resided there ever since.

On October 21, 1890 he was united in marriage to Mary Voismier of Ashland, who has been his faithful companion for 30 years. To this union were born two sons, George H. and Joseph J., both of Ashland. He is also survived by four grandchildren, one brother, James of Warsaw, two sisters, Mrs. Mary Nedham and Mrs. Phoebe Keenle of Virginia. He was a hard working man and a devoted husband and father. For the past fifteen years he has conducted the ice business in Ashland, honest and upright in all his dealings. He will be greatly missed by the people of the community. The funeral was conducted from St. Augustine church in Ashland, Thursday morning at 9 o'clock by Rev. O'Brien. The bearers were: Charles Holmes, Henry Henn, Thomas Sheton, W. M. Atterberry, W. M. Fitzgerald, Charles Reiser.

We are showing quantities of knit goods, hosiery and underwear, at remarkably low prices, values greatly under today's market. Children's black bloomers, 59c; children's heavy fleeced union suits, sizes 2 to 16 at 79c to 98c; infants' fleeced vests, 45c; ladies' medium weight union suits, 98c, \$1.79 and \$1.98; ladies' fleeced union suits, winter weight, \$1.59 and \$1.98; ladies' fine silk and wool union suits, \$3.98; Kayser's and Van Raalte's Italian silk underwear at special prices; children's school stockings, black and brown, 29c a pair; misses' fine ribbed stockings, 39c and 59c; ladies' black cotton stockings, light and heavy weight at 19c, 25c and 39c a pair; ladies' silk boot stockings \$1.25 and \$1.45. All are very special values. F. J. WADDELL & CO.

STATE HIGHWAY WORK.
Six huge trucks passed thru the Bay recently bound from Quincy to the northern part of the state outfit which is kept for the purpose of improving the state highways.

ROTARIANS INSPECTED OAK LAWN PROPERTY

Found Sanatorium for Treatment of Tubercular Cases Nearing Completion. Trustees and Medical Superintendent Made Statements.

Rotarians yesterday had the opportunity of inspecting Oak Lawn tuberculosis sanatorium and of listening to some reports about the progress of tuberculosis work. After the fish fry luncheon had been served in the dining room of the sanatorium, President M. L. Pontius introduced William Batz, who is chairman of the board of trustees of the sanatorium. Mr. Batz presented a statement about the sanatorium and the funds and then introduced Dr. Grace Dewey and W. R. Turnbull, also members of the board of trustees. Afterward Dr. Josephine Milligan, medical superintendent, made a brief statement.

There were a number of guests present but there was time only for the introduction of Dr. George E. Baxter who was one of the group of seven Chicago men, including Paul Harris, who founded the Rotary organization. Variation was given the program by two or three "stunts." Charles H. Rammelkamp for the committee of investigation presented a leather medal to that time for disposing of the largest number of fish. Albert Metcalf had all the Rotarians and visitors arranged in front of the sanatorium for a group picture. Then just as everybody was looking pleasant the camera exploded. This, however, did not seem to interfere with the pictures, which were evidently of the instantaneous kind and Mr. Metcalf distributed them to all of the group. Among the visitors present were County Commissioners Wheeler and Wyatt.

Mr. Batz in his statement reviewed the movement resulting in the founding of the sanatorium and presented a financial statement for the period from Dec. 17, 1917 to June 1, 1920. This statement showed total receipts \$94,346.62 with expenditures of \$82,554.80, for the sanatorium proper. In addition the clinic expense account totaled \$8,602.53.

Dr. Grace Dewey related some facts about the growth of tuberculosis work in the state and said that Morgan county was one of the first eight counties to take advantage of the Glacklin law. Since that time thirty-three other counties have voted in favor of building sanatoria. Of the first eight, it is hoped that Morgan county may be the fifth to have the sanatorium in actual operation.

Dr. Dewey said that the idea is gaining support that instead of having the sanatorium in each county of the state, that it would be better to have one finely equipped sanatorium serving several counties.

Mr. Turnbull left to his associates on the board the presentation of facts with reference to the work but expressed his pleasure that the trustees had in the presence of the guests. Dr. Milligan, who is medical superintendent, related some details of the work which has been done thru the clinic. Particular instances were cited to show what can be accomplished in combating tuberculosis in curing insistent cases if intelligent care is given. Some other facts were narrated to suggest the number of cases that need special attention because of tubercular tendencies, even in those communities that are accounted normally healthy.

It was a case in point when President Pontius mentioned that Mrs. Pontius had just returned from a Minnesota hospital where physicians had found her suffering with tuberculosis of the throat. Early discovery of the condition makes it entirely probable that the treatment available will effect a speedy cure.

Mr. Batz in his review of the work made the following statement:

Reported For the Board.
Mr. Chairman:
Ladies and Gentlemen:

It gives me great pleasure to present and dedicate to you here today and in behalf of the board of directors I wish to thank you and express our appreciation for the honor you have bestowed upon us with such a large attendance. I know and feel assured with your presence today, Dr. Grace Dewey and Mr. W. R. Turnbull, members of the board with me will share the same feeling of encouragement to carry on this noble work that has been entrusted to our care.

Knowing that your time is limited, altho in this case I kindly ask you to make an exception if possible. I shall confine my remarks to a very few brief statements and a condensed financial and health report from Dec. 17, 1917 to June 1, 1920, has been filed with the county clerk and a continuance up to date. Owing to the state of conditions at the time our plans were ready we were unable to get any of our contractors to give us a bid on the whole of the reconstruction, and remodeling the building, we therefore decided to do the work ourselves by purchasing all of the material and engaging a superintendent. He was to hire all of the help, submit weekly statements, and in return we were to reimburse him every 5th of the month for all outlay during the previous month and his salary.

Funds Reduced.
All material purchased and used by him was to have the approval of the board of directors. With our allotted funds received, we were able to carry on the work last year up to what is called roughing in, which included part of the plumbing, electrical work and plastering. The law requires us to make a demand on the county board every year in the month of September to

spread a levy for tuberculosis work, conforming with the law a year ago. We were a little later assured that our portion of the taxes for 1919 would be about the same or maybe a little more than the previous year which amounted to \$37,000. On this assurance and in good faith we decided to go ahead with the balance of the plumbing and work of completing the sanatorium, and placed contracts for the electrical work including all fixtures, hardware and weather strips, also the interior and exterior painting.

Owing to some error in spreading the 1919 levy, our share of the taxes was considerably reduced, instead of receiving \$37,000 we were only to receive \$23,000. Realizing and being made acquainted of these facts, the board of directors at once met with the county board, and presented to them their obligations made in good faith with the numerous contractors which were carrying us on the basis of the expected 1919 tax receipts assured us last year. The County Board took the matter under advisement and allotted us in all \$27,609.10 out of the 1919 taxes, for which we felt very grateful towards them, altho it fell considerably short in paying for the work completed and contracted for as our report will show.

More Money Needed.
I can assure you that we were not overjoyed and jubilant when we were confronted with the shortage of our expected allotment, but with renewed vigor we again met the County Board this last September and asked them for a full limit of our share of the 1920 taxes, so that we could complete, and furnish the sanatorium with all equipments for occupancy and the maintenance for the coming year. I am sorry to again state that our cherished hopes are shattered, for our allotment according to the last budget of the County Board is very much inadequate to cover the cost of opening the sanatorium to the unfortunate ones that are and have been knocking at its doors for admittance, but we still hope that by some means this can be accomplished. Having acquainted you of all the main facts, we humble ask your hearty cooperation to share the same interest with us, and help us adopt some plans or means so that our beautiful sanatorium—will not stand idle, but be thrown open to the suffering ones that are waiting to be admitted.

After presenting our report, we will take great pleasure in conducting your thru the building, and be at your service to answer any questions pertaining to the sanatorium.

REEVE IS BUSY
AT KNOX COLLEGE

Glidden Reeve, who is a junior at Knox College this fall, is actively engaged in the publication of "The 1921 Gale," the year book of the college. He is planning an immense number of improvements for this year's annual. Reeve is serving as president of the Y. M. C. A. Cabinet, which has charge of many of the men's activities. He supervised the Y. W. C. A. and Y. M. C. A. reception which was given in Whiting Hall for all students. The reception is an annual affair, held to acquaint the students with the rest of the college.

FRANK ROSS WILL BE BURIED AT WHITE HALL

Body of Victim of Auto Accident at Alton Taken to White Hall—Neutzman Injured in Same Accident on Bad Condition.

White Hall, Oct. 15.—The body of Frank Ross, victim of an auto accident at Alton, Thursday evening, arrived at White Hall today, and was conveyed to the home on West Franklin street. No arrangements for the funeral have been made. Mr. Ross was in the company of George North and W. P. Neutzman en route to a Masonic meeting at Alton on North's roadster. In descending State street hill at Alton about 8 p. m. the brakes failed to work and the car dashed down the grade and overturned, pinioning Ross and Neutzman underneath. North was thrown to one side, rendered unconscious and suffered slight injury. Ross was killed instantly. Neutzman received a broken arm, crushed knee, broken leg and an injury on the jaw. He was moved to the Alton hospital, where it was thought that the injury to the knee might necessitate amputation of the leg.

North returned home during the night in an exceedingly depressed frame of mind over the terrible accident. No blames attaches to him, however. He has a reputation for careful driving, and his machines are always maintained in the best of repair. He is probably the leading capitalist of this section, and while a conservative young man of only 35 years, will have only the best of what he buys, the same applying to automobiles. He is president of the People's State Bank.

Neutzman is agent of the Chicago & Alton railroad at White Hall. He has been connected with the local station for fifteen years, succeeding to the agency on the death of George W. Secor in 1915. Great concern is felt throughout the community over the criticalness of his condition. He has a wife and three children. He is 40 years of age.

Ross, age 36 years, leaves a wife and two children. He was proprietor of a restaurant and confectionery on Sherman street. All three were among the most prominent young men of the community, and grief over the accident may be measured accordingly.

BACK FROM THE
SOLDIERS' HOME

Messrs. Wigginjost and Goheen have returned from their visit to the old soldiers' home in Quincy. They went as delegates from the Grand Army to see how things in general are being conducted in that place.

They have a new superintendent, Capt. Reig, a veteran of the Spanish and world wars and a very acceptable officer. There are some 1600 veterans and wives in the home and 70 are in the hospital. The visitors found one woman a hundred years old, as she claimed, but in the full possession of her faculties. While the superintendent held her hand she sang a song for the visitors and sang in a pleasant, sweet tone. The chaplain is a nephew of the late J. B. Beadles, formerly of this city. Taken all in all the visitors found affairs in a satisfactory condition.

Frank Masters of the region of Lynville visited the city yesterday.

C. P. Irving was over to the city from Chambersburg yesterday.

A WELCOME RAIN.

Thursday night a slight rain fell and yesterday afternoon it came in a much more lively manner and while there was hardly enough it will still be a great help to newly sown wheat and some value to fall pastures. The ground was so light and almost like ashes in the newly sown wheat fields that it needed some rain to pack it down and moisten the seed.

FUNERAL OF A. L. KIMBER
The funeral of the late A. L. Kimber will be conducted at Waverly at 3 p. m. today.

Miss Etta McGinnis of Roodhouse was a visitor in the city yesterday.

George Bolton was up to the city from Franklin yesterday.

There are some wool felt hats on the market and some dealers may endeavor to compare them with Fur Hats. The price of Men's Wool Hats sold by FRANK BYRNS at \$1.50 and \$2.00 are worth the price.

The way to acquire individuality of appearance is not to try to hang it on you, but to wear clothes that will bring out your individuality and taste. The answer:

MYERS BROS. GOOD CLOTHES

These fine clothes are an investment in good appearance and in economy, at any time, but particularly so this season, because we have priced them with only slight consideration of our deserved profit. \$30, \$35, and more.

Here's another super-value bought under price which we pass on to you. Grey Chinchilla Reefer, O'Coat, double breasted belted, with large collar. Ages 2 to 6 years

\$6.75

A department in our store we seldom advertise is our work clothes department. We rely on the low selling price to do this. When you come here to investigate you'll find the prices much lower than elsewhere

DR. BAXTER ADDRESSED tently by President Rammel-kamp.

ILLINOIS COLLEGE STUDENTS

Dr. George E. Baxter, an alumnus of Illinois College addressed the students at the Chapel exercises Friday morning. Dr. Baxter, who is in the city for a few days as the guest of H. H. Bancroft, took this opportunity to visit "the hill" and President Rammelkamp asked him to address the students.

Dr. Baxter spoke briefly, emphasizing the value of loyalty in relations between students and alumni to their college. The speaker suggested that in these relationships that loyalty means as much as it does in the other affairs of life and as a matter of fact loyalty can be counted one of the basic virtues.

Dr. Baxter referred to the value of President Rammelkamp's work in bringing the alumni into closer touch with the college. He said that special progress had been made in these later years in this regard and that increased interest was due to the policy followed so consistently by President Rammelkamp.

A REMARKABLE CROP OF OATS

LISTEN
Another big sale today on Fig Taffy at 30c the pound. Also the Pecan Caramel Puff, at 10c each. These are the candy hits of this year. Get them only at MERRIGAN'S.

TRAVELERS TO KANSAS.

Mr. and Mrs. Frank O. Brown, and Mr. and Mrs. Frank Weaver, all of the vicinity of Waverly, were arrivals in the city yesterday and after supplying their auto with all needed goods they set their faces toward the west with Lawrence, Kansas, as their destination.

All over laces, black, white and cream, 98c yard. Have been \$1.25 to \$3.50 yd. F. J. WADDELL & CO.

The Journal was informed yesterday that Thomas Whewill of the vicinity of Lynville was cutting a second crop of oats on his farm. The informant was unable to give any other particulars but insisted his statement was correct.

Few men are aware that they are wearing upon their heads a garment made of products from ALASKA, ARGENTINE, BRAZIL, CANADA, CHINA, EUROPE, FRANCE, ITALY, INDIA, JAPAN, RUSSIA, SCOTLAND and our own U. S. A., but such is the case when wearing the fine fur hats sold by FRANK BYRNS Hat Store.
